# TOP 5 FACTS

## Two Bags. One Smart Design.

A unique reversible dual-side design lets you switch your look in seconds – from a clean urban exterior to a casual, rich style. One backpack, two distinct styles.

## Ultra-Light Comfort

Weighing just 530 grams, this backpack delivers maximum functionality with minimum weight – ideal for everyday carry without compromise.

## Patented Shape-Shift Zipper System

Innovative Shape-Shift Zippers allow the backpack to transform effortlessly, supporting the reversible design while maintaining a sleek silhouette.

## Magnetic Twist-Lock Protection

Equipped with a patented magnetic twist-lock zipper pull, offering smart anti-theft protection with smooth, intuitive access.

## Designed for Everyday Versatility

Made with water-repellent fabrics and featuring a dedicated laptop compartment, water bottle pocket, rear pocket and a reflective front logo – ready for work, travel and life on the move.
